

South Jersey Edge 2022-202 Program Guide

OUTDOOR TOURNAMENTS WE ATTEND

South Jersey Edge attends a Showcase every November, either festival or shooting stars. We have attended the Disney Showcase from 2009-2015. The Disney Showcase was added back to the tournament schedule for 2018. In addition, the National Field Hockey Coaches Association has added recruiting tournaments. They are hosting shooting stars and the winter escape. We will attend these events as well. We participate in the Regional Club Championship and the National Club Championship (qualification required). We also participate in the Junior Premier League. This is a league of the top teams in the region. We also attend local 7 v 7 spring and summer tournaments.

Whenever possible we select players for these events using existing club players. We use training sessions to identify candidates.

SPRING AND SUMMER OPPORTUNITIES

South Jersey Edge has several opportunities to play and train throughout the spring and summer. We have Sunday training sessions on turf. Elite teams will participate in the Junior Premier League, Regional Club Championships and National Club Championships if the team qualifies. Advanced teams will attend local 7 v 7 tournaments.

PRIVATE LESSONS AND SMALL GROUP TRAINING

Our coaching staff provides private lessons and small group training to registered club members for an additional fee. Interested players should email southjerseyedge@comcast.net with private lessons or small group training in the subject.
